#### HOW WE USE YOUR INFORMATION

The RSPCA (registered charity number 219099) and other RSPCA branches (separately registered, volunteer run charities) use the personal data (as defined by the Data Protection Act 2018) you give us for the purpose of achieving its animal welfare objectives. This might involve specifically:

keeping administrative records

contacting you in the future about other volunteering opportunities

You don't have to give us your telephone number or email address, or provide information about your hobbies and interests for these purposes but if you do, we will only use them for contacting you in relation to your volunteering.

If your application is more suited to a volunteering opportunity within another RSPCA branch, a separately registered, volunteer-run charity, or alternative animal centre we may forward your details so that branch or animal centre may contact you directly about that alternative position. If you agree to your information being shared between the RSPCA and RSPCA branches in this way, please tick this box

Should you wish to change your communication preference or find out more about how we use your personal data please visit <u>www.rspca.org.uk/privacy</u> or contact your local branch (if you have consented to us sharing your data) or animal centre for further details.
